

SOCIAL INNOVATIVE ENTREPRENEURSHIP

DAILY REPORT – DAY 5

Tuesday, 6th February 2024

After breakfast, we went to the room at Mayor's Hall for our morning session. Our morning session was several workshops on business model canvas and impact measurement.

After the first coffee break, we went to the main square to do some energizers that lifted our spirits! After that, we went back to the session room for individual and group work to develop business models for selected project ideas.

After lunch, we come back to the major's hall for our evening session. We had feedback sessions with the group leaders and leaders' meeting

The night closed with the Albanian culture night with a presentation of the country and some dance lessons. It was fun!
