

## **SOCIAL INNOVATIVE ENTREPRENEURSHIP**

### **DAILY REPORT – DAY 7**

*Thursday, 8<sup>th</sup> February 2024*

After breakfast, we went to the room at Mayor's Hall for our morning session. Our morning sessions were workshops on project planning and management. We also discussed the Color theory session and how we can use color for beneficial reasons.

After the first coffee break, we Individual and group work on developing project plans and timelines.

After lunch, we come back to the major's hall for our evening session. We had mentoring sessions for refining project strategies and addressing challenges that our idea may have in the presentation. After that, we prepared for the presentation and the final project

The night closed with the Slovakian culture night with lots of food and dances. It was fun!
